Notes on Completion of Application Form:

1. Please ensure that you give the name of the party leader/owner and the name of the yacht on which you will be participating in the Rally, so that all policies for the same yacht can be linked together.
2. The **start date** should be the start date of the rally, or the date from which you want cover to start if you are travelling out to join the rally at the start or mid-rally. You should select an **end date** that will allow for any delays in the rally, and also cover you during any period in which you are travelling to your home, if you wish cover to continue beyond rally participation. These dates will be used to calculate the premium and arrange cover for medical expenses and other risks. If the period is less than one year, Personal Accident cover will be arranged for a minimum of one year. If the period is more than one year, Personal Accident cover will be arranged for three years.
3. **Cancellation & Curtailment.** Please indicate the sum for which you require cover. Individuals should include only their own rally entry fees plus other costs (flights out to join the rally, etc.) Remember that the amount you insure will be the maximum you can recover under the policy, so should be adequate to cover all foreseeable costs.
4. **Medical Expenses.** If you suffer from any pre-existing medical conditions, or if anyone whose health could affect your travel plans suffers from any pre-existing medical conditions, you must telephone the Medical Screening Service before submitting this application form. If the condition(s) are accepted, the insurers will use the information provided to assess and validate any claim submitted under the policy. A pre-existing medical condition is anything for which you have consulted a doctor or received medical advice within the last twelve months before making this application, anything for which you are receiving treatment or are on medication, or any condition for which you are on a waiting list for treatment. If you are unsure, please telephone the MOS Medical Helpline GbmH on Tel: +49 (0) 69 9778899-999
5. **Signature & Date.** By signing the form, you are declaring that the information you have provided is true, to the best of your knowledge and belief. Cover will be conditional on receipt of the appropriate premium.
6. **Payment of Premium/Start of Cover.** Subject to the premium having been paid, cover for cancellation starts from the first of: the date you apply for the insurance, or the date on which your contractual obligation to pay the entry fees commences, or the date on which you book flights out to join the rally, or to return home, or commit to any other relevant costs.
